

New year, New challenges, New mentor!

This programme aims to match young people who have experience of care or are estranged from their families with university student mentors with similar lived experiences.

Moving UP

A mentoring opportunity for Year 12/Level 3 students!

- Choose key topics to explore at your pace and tailored to your situation.
- Get advice on living independently, managing money and deciding what to do next.
- Identify goals for your education and career - work with your mentor to make a plan and get going!

Want to know more?
